

HOLD ON

VERSE 1

C F C
When the year has been unkind,
Am7 F C/E G
and the hearts of the people are broken.

C F C
When the winter is long and wild,
Am7 F C/E G
and life like the earth becomes frozen.

CHORUS 1

F C Am7
In the darkest night, there's a light that shines,
G
There's a hope that's burning in the shadows
F C Am7
Like a seam of gold in a shattered world,
G
There is One who holds it all together

VERSE 2

If you're plagued by anxiety,
If your fear for the future's unspoken
If you've nurtured your dreams from seed,
But the harvest has failed or been stolen

CHORUS 2

In the darkest night, He's the light that shines,
He's the hope that's burning in the shadows
Like a seam of gold in a shattered world,
He's the One who holds it all together
